Packed with all of the best-in-class features of Schwinn's top tier indoor bikes, the new AC Power and SC Power bikes take your ride to a whole new level. Power bikes come with the amazingly accurate 4iiii® crank arm powermeter which uses patented 3D strain gauge technology for accurate, reliable and consistent data. View all of your metrics on the new Echelon2G console, powered by a built in generator, preventing the continuous need to replace batteries.

YOUR RIDE. YOUR WAY.

Schwinn® is committed to giving you the most customizable and authentic ride possible. Outfit your bike with the many great new features available like the 4iiii® crank arm and new Echelon2 console. Ask us about how you can get your bikes with custom paint and decals to fit your style to your company image. Schwinn's growing customization options allow you to leverage your company's color and logos to grow your brand and reinforce your brand identity.

TRAINING & PROGRAMMING

Schwinn® has come a long way since building the first cycling bike. Today, in addition to manufacturing premium cycling equipment, we are a global organization of passionate Schwinn Master Trainers who educate thousands of instructors around the world every year. The bikes in your cycling room are only as good as the instructors who teach on them, that's why we are committed to developing cutting-edge programming and providing tools that can help any instructor elevate their class experience.

Be sure to ask us about our new Schwinn online certification program.

BUILD ON GREATNESS

At **Core Health & Fitness** we aim to provide our partners a foundation backed by the strongest brands in the industry. Four iconic brands that pioneered entire categories, and whose machines are still the ones **members ask for by name**. Today, we're committed building on that legacy by providing the best products and programs in every category – and that's greatness you can feel good about building on.
