

NAUTILUS IMPACT™

Proven. Smart. Effective.

The Impact® Strength line brings many subtle innovations to the power of your next weight training workout. It is the evolution of the proven biomechanics and user features that have made the strength line a solid, competitive product. This line retains all the unique, proven, individual design features that customers have stated are ideal such as Pre Stretch, Start Assist, Range of Motion selection, Graduated and Standard Heavy Weight Stacks. Impact Strength incorporates new aesthetics and biomechanics features that have established its position as a competitive and diverse strength product line.

LOCK N LOAD®

Now weight selection is as easy as flipping a switch. The intuitive Lock N Load® design is easily recognizable. If you've ever flicked a light switch on and off, you'll immediately understand how it works. Universally color coded switches engage and disengage the weight via an internal pin, providing a safer, more durable and maintenance free operation. Lock N Load® prevents unnecessary maintenance and customer service headaches since there are no pins to lose or replace.

THE ESSENTIAL STRENGTH LINE

Impact Strength® was designed to be a powerful choice for a facilities primary line of strength equipment. Rather than focusing on a couple hero pieces, this 23 piece line covers all of the essentials needed make up the foundation of any facility. Suited for all fitness levels, users can isolate and focus on each body part, making their workout customizable and efficient. Proven biomechanics and a rock solid construction ensure the durability that club owners expect.

BUILD ON GREATNESS

At **Core Health & Fitness**, when we brought together fitness brands to build our company, we settled for nothing but the best. Four iconic brands that pioneered entire categories and whose machines are still the ones **members ask for by name**. Today, we're committed to continuing the tradition that started decades ago – and that's greatness you can feel good about building your business on.
