

AC™ POWER

Packed with all of the best-in-class features of Schwinn's top tier indoor bikes, the new AC Power takes your ride to a whole new level. Power bikes come with the amazingly accurate 4iiii® crank arm powermeter which uses patented 3D strain gauge technology for accurate, reliable and consistent data. View all of your metrics on the new Echelon2G console, powered by a built in generator, preventing the continuous need to replace batteries.

9-7300	110 lbs (50 kg)	21" (53 cm)	54" (137 cm)	51" (130 cm)	350 lbs (159 kg)

TRAINING & PROGRAMMING

Schwinn® has come a long way since building the first cycling bike. Today, in addition to manufacturing premium cycling equipment, we are a global organization of passionate Schwinn Master Trainers who educate thousands of instructors around the world every year. The bikes in your cycling room are only as good as the instructors who teach on them, that's why we are committed to developing cutting-edge programming and providing tools that can help any instructor elevate their class experience.

Be sure to ask us about our new Schwinn online certification program.

BUILD ON GREATNESS

At Core Health & Fitness we aim to provide our partners a foundation backed by the strongest brands in the industry. Four iconic brands that pioneered entire categories, and whose machines are still the ones members ask for by name. Today, we're committed building on that legacy by providing the best products and programs in every category – and that's greatness you can feel good about building on.
